RELEASE No. 116-C

---

**ELECTRONIC FILING OF  
LIMITED OFFERING EXEMPTION NOTICE  
UNDER CORPORATIONS CODE SECTION 25102(f)**

This release announces the Department of Corporations' electronic filing process for limited offering exemption notices ("LOENS") filed under Corporations Code Section 25102(f).

Effective July 22, 2005, amendments to Title 10, California Code of Regulations, Section 260.102.14 require online filing of LOENs in lieu of paper notice forms through the Department's website at <http://www.corp.ca.gov/loen/>

An exemption to the electronic filing process is provided for demonstrated cases of hardship. LOENs may be filed in paper form (in person or by mail) where computer equipment is unavailable without unreasonable burden or expense, or information is unobtainable for the Department's electronic notice or internet filing process, as specified by Section 260.102.14(f).

The Department has revised its "Limited Offering Exemption Notice Packet" to assist LOEN filers, by providing updated laws, rules, and forms. Additional information may be obtained at the Department's website at [www.corp.ca.gov](http://www.corp.ca.gov) or by calling 1-866-ASK-CORP (1-866-275-2677).

WAYNE STRUMPFER  
Acting California Corporations Commissioner
