   a. Telecom Action Entertainment would return the investor’s capital 60-90 days from the date of the investment;
   b. the investors would receive a profit of anywhere from 1.5 to 5 times their capital;
   c. Telecom Action Entertainment “had never failed investors” when, in fact, investors were complaining about the lack of return; and

Based upon the foregoing findings, the California Corporations Commissioner is of the opinion that investment contracts in the form of limited partnership interests in Telecom Action Entertainment are securities subject to qualification under the California Corporate Securities Law of 1968 and are being or have been offered or sold without first being qualified. this state by means of written or oral communications which included an untrue statement of a
material fact or omitted to state a material fact necessary in order to make the statements made, in the
light of the circumstances under which they were made, not misleading, in violation of section 25401
