June 2010 • Issue No. 34

Escrow Assessments

The escrow assessment invoices were mailed to all escrow companies licensed at May 30, 2010. The assessments are based on the number of locations at \$2,800 per location. The payments are due within 30 days; no later than June 30, 2010. Payments should be sent to 1515 K Street, Suite 200, Sacramento, CA 95814. Failure to pay the assessment on time could result in penalties being assessed at 10% per month the assessment is overdue and/or revocation of the escrow agent's license. If your company has not received its invoice, please check our website at www.corp.ca.gov to confirm we have your correct address. Our accounting office in Sacramento should be contacted for replacement invoices. You can request a copy by calling Edna Baladat at (916) 323-7383.

Escrow Management Class

Since 2007, the Department's Education and Outreach Section has been working with the Escrow Institute of California to present the Escrow Management class that at one time was a requirement for all new escrow company owners and managers. The class is offered to any interested escrow company owner or manager. The format of the class is similar to what was offered in the past. It provides an overview of the Department and escrow program including issues that affect the escrow industry including reporting, bonding and financial requirements. It also covers regulatory issues such as examinations, internal control and bank reconciliations as well as cost saving tips.

The next class hasn't been scheduled. Depending on the number of those interested in attending, we expect the next class will be held sometime around October in the Department's Los Angeles office building. To register, any interested owner or manager should contact Escrow Institute of California at (800) 337-2769 or by e-mail at admin@escrowinstitute.org

Escrow Licenses

As of May 31, 2010, there were 762 main and 242 branch offices for a total of 1004 escrow locations licensed by the Department of Corporations.
