

STATEMENT OF REASONS
WHY CHANGES IN THE REGULATIONS UNDER
CHAPTER 3, TITLE 10,
ARE CHANGES WITHOUT REGULATORY EFFECT

As required by Section 100 of the rules of the Office of Administrative Law, the California Corporations Commissioner ("Commissioner") sets forth below the reasons for the proposed nonsubstantive amendments to Title 10, Chapter 3 of the California Code of Regulations and why the changes do not materially alter any requirement, right, responsibility, condition, prescription or other regulatory element of any California Code of Regulations provision.

Section 260.165 is proposed to be amended to clarify the instructions for completing a consent to Service of Process form, and to clarify the form of the consent depending on whether it is being provided by an individual or an organization.
