State of	20	Mesa, CA 92620.
Sta	21	2. At all relevant times, Kevin D. Grace ("Grace") was the Director of Operations and control
	22	person of Black Gold Energy, Inc. Grace was also the registered owner and control person of Black

4. Beginning in or about May 2007, Dobbs, Grace, Lindberg and Black Gold Energy, Inc. offered securities in the form of stock. The purported purpose of the offering was to raise up to 2 3 \$5,000,000 to "acquire heavy equipment to transport oil sands from its licensed sites at the Muskeg River Mine in Alberta, Canada to heavy petroleum upgrading facilities in Fort Saskatchewan, 4 5 Canada."

5. These securities were offered or sold in this state in issuer transactions. The Department of Corporations has not issued a permit or other form of qualification authorizing any person to offer and sell these securities in this state.

Based on the foregoing findings, the California Corporations Commissioner is of the opinion that the stock offered and/or sold by Kevin D. Grace, Herbert B. Lindberg, Michael Dobbs and Black Gold Energy, Inc. are securities subject to qualification under the California Corporations Code and are being or have been offered or sold without being qualified or exempt, in violation of Section 25110 of the California Corporations Code.

Pursuant to Section 25532 of the California Corporations Code, Kevin D. Grace, Herbert B. Lindberg, Michael Dobbs and Black Gold Energy, Inc. are hereby ordered to desist and refrain from the further offer or sale in the State of California of securities, including but not limited to stocks, unless and until qualification has been made under said law or unless exempt.

This Order is necessary, in the public interest, for the protection of investors and consistent with the purposes, policies, and provisions of the California Corporations Code.
